## REMEMBER ME WITH A SMILE

Remember me with a smile,  
now that my life on this earth is done.  
My dreams have all been fulfilled,  
and a new life has just begun.

Let's be thankful we shared precious love.  
Keep the memories warm for a while.  
Let them bring peace to your heart,  
and remember me with a smile.

## AFTERGLOW

I'd like the memory of me  
to be a happy one,  
I'd like to leave an afterglow  
of smiles when life is done.

I'd like to leave an echo  
whispering softly down the ways,  
of happy times and laughing times  
and bright and sunny days.

I'd like the tears of those who grieve,  
to dry before the sun,  
of happy memories that I leave,  
when life is done.

## MISS ME, BUT LET ME GO

When I come to the end of the road  
And the sun has set for me.  
I want no rites in a gloom filled room,  
Why cry for a soul set free?

Miss me a little - But not too long  
And not with your head bowed low.  
Remember the love that we once shared.  
Miss me a little - but let me go.

For this is a journey that we all must take,  
And each must go alone.  
It's all a part of the Master's plan,  
A step on the road to home.

When you are lonely and sick of heart,  
Go to the friends we know.  
And bury your sorrows in doing good deeds.  
Miss me - but let me go.

## MY HERO, MY DAD/MUM

You held my hand when I was small, you caught me  
when I fell. You're the hero of my childhood and my  
later years as well.

And every time I think of you, my heart still fills with  
pride, though I'll always miss you Dad/Mum, I know  
you're by my side.

In laughter and in sorrow, in sunshine and through rain.  
I know you're watching over me, until we meet again.

## IRISH BLESSING

May the road rise up to meet you,  
may the wind be always at your back,  
may the sun shine warm upon your face.

And until we meet again,  
may God hold you in the palm of his hand.

## A LEGACY OF LOVE

A wife, a mother, a grandma too,  
this is the legacy we have from you.  
You taught us love and how to fight,  
you gave us strength, you gave us might.

A stronger person would be hard to find,  
and in your heart, you were always kind.  
You fought for us all in one way or another,  
not just as a wife not just as a mother.

For all of us you gave your best,  
now the time has come for you to rest.  
So go in peace, you've earned your sleep,  
your love in our hearts, we'll eternally keep.

## I'LL ALWAYS BE WITH YOU

If ever there is a tomorrow when we're not together,  
there is something you must always remember.

You are braver than you believe, stronger than  
you seem, and smarter than you think.

But the most important thing is, even if we're apart,  
I'll always be with you.

## GONE FISHIN'

I've finished life's chores assigned to me,  
So put me on a boat headed out to sea.  
Please send along my fishing pole  
For I've been invited to the fishin' hole.

Where every day is a day to fish,  
To fill your heart with every wish.  
Don't worry, or feel sad for me,  
I'm fishin' with the Master of the sea.

We will miss each other for awhile,  
But you will come and bring your smile.  
That won't be long you will see,  
Till we're together you and me.

To all of those that think of me,  
Be happy as I go out to sea.  
If others wonder why I'm missin'  
Just tell 'em I've gone fishin'.

## A LIFE WELL LIVED

A life well lived is a precious gift,  
Of hope and strength and grace,  
From someone who has made our world  
A brighter, better place.

It's filled with moments, sweet and sad  
With smiles and sometimes tears,  
With friendships formed and good times shared  
And laughter through the years.

A life well lived is a legacy,  
Of joy and pride and pleasure,  
A living, lasting memory  
Our grateful heart's will treasure.

## LOVE LIVES ON

Those we love remain with us  
for love itself lives on.  
And cherished memories never fade  
because a loved one's gone...

Those we love can never be  
more than a thought apart.  
For as long as there is a memory,  
they'll live on in the heart.

## THE THINGS THAT MATTER MOST

Our lives can't be counted in candles or years, for what  
really matters are these:

The lives that we touch, the love that we share, the joys  
that our heart clearly sees.

True meaning is found in the way that we live, in the  
sweet, simple blessings we've known, in the hugs we  
have given, the friends we have made, and how fully  
our spirits have grown.

It's the smiles we inspire, mistakes we forgive, and  
people we've helped on the way. That make our lives  
rich with such beautiful memories and wonderful gifts  
in each day.

## I THOUGHT OF YOU WITH LOVE TODAY

I thought of you with love today, but that is nothing  
new, I thought about you yesterday, and days before  
that too.

I think of you in silence, I often speak your name,  
all I have are memories, and your picture in a frame.

Your memory is my keepsake with which I'll never part.  
God has you in His keeping, I have you in my heart.

## THE MEASURE OF A MAN

Not - How did he die? But - How did he live?  
Not - What did he gain? But - What did he give?

These are the things that measure the worth  
Of a man as a man, regardless of birth.  
Not - What was his station? But - Had he a heart?  
And - How did he play his God-given part?

Was he ever ready with a word of good cheer?  
To bring back a smile, to banish a tear?  
Not - What was his church? Not - What was his creed?  
But - Had he befriended those really in need?

Not - What did the sketch in the newspaper say?  
But - How many were sorry when he passed away?  
These are the things that measure the worth of a man  
as a man, regardless of birth.

## Poems

### A SPECIAL PERSON

A loving nature, a heart of gold,  
the very best this world could hold.  
Never selfish, always kind,  
these are the memories you left behind.  
A silent thought a quiet prayer,  
for a special person in god's care.

### INSIDE YOUR HEART

Nothing you love is lost.  
Not really. Things, people —  
they always go away, sooner or later.  
You can't hold them,  
any more than you can hold moonlight.  
But if they've touched you,  
if they're inside you, then they're still yours.  
The only things you ever really have  
are the ones you hold inside your heart.

### TO THOSE WHOM I LOVE

I leave myself to your memory, with love. I leave  
my thoughts, my laughter, my dreams, to you  
whom I have treasured.

I give you what no thief can steal, the memories  
of our times together: the tender moments,  
the successes we have shared, the hard times  
that brought us close together and the road we  
have walked side by side.

I also leave you a solemn promise that after  
I am home in the arms of God, I will still be  
present, whenever and wherever you call on  
me. Whenever you are in need, call me; I will  
come to you, to be your avenue to God.

And all I take with me as I leave is your love  
and the millions of memories of all that we  
have shared. So I truly enter my new life as a  
millionaire.

Fear not nor grieve at my departure, you whom  
I have loved so much, for my roots and yours  
are forever intertwined.

### OUR WONDERFUL GRANDFATHER

We had a wonderful grandfather,  
One who never really grew old;  
His smile was made of sunshine,  
And his heart was solid gold.

His eyes were as bright as shining stars,  
And in his cheeks fair roses you see.  
We had a wonderful grandfather,  
And that's the way it will always be.

### HER/HIS SMILE

Though *her/his* smile is gone forever  
and *her/his* hand I cannot touch  
I still have so many memories  
Of the one I loved so much.

*Her/his* memory is now my keepsake  
Which with I'll never part.  
God has *her/his* in her keeping  
I have *her/his* in my heart.  
Sadly missed, but never forgotten.

### FALLEN LIMB

A limb has fallen from the family tree.  
I keep hearing a voice that says, "Grieve not for me".  
Remember the best times, the laughter, the song.  
The good life I lived while I was strong.

Continue my heritage, I'm counting on you.  
Keep smiling and surely the sun will shine through.  
My mind is at ease, my soul is at rest.  
Remembering all, how I truly was blessed.

Continue traditions, no matter how small.  
Go on with your life, don't worry about falls  
I miss you all dearly, so keep up your chin.  
Until the day comes we're together again.

## Memorial Frames

Let us create a beautiful keepsake for you to display.

Often we are told that service sheets were one of the most beautiful parts of the service.

So much of your time and effort goes in to choosing photos, content and design that reflects your loved one in a meaningful way.

Why not create a keepsake with the photos and content from the service sheet for you to display in your home as a beautiful dedication to your loved ones life.
