

SPECIAL EXTRAS *and...*

keepsakes for those who cannot attend the service

Hugs from Home

Hugs from Home is a new service. Providing family and friends a chance to feel a part of the service. Visit our website and leave a message on our 'Hugs from Home'. Your message will be handwritten, and attached to a white balloon. These balloons will fill the chapel and provide that love and support when it is truly needed and give an everlasting keepsake for the family.

Live Streaming

We can offer live streaming and recording of the service through our website, or via an email link. Providing those who cannot attend a chance to feel a part of the celebration of honouring a loved one. Our live streaming is at no charge.

Service Sheets & Photo Presentation

All of our design items, including Service Sheets, Photo Presentations, Photo Frame and Screensavers can still be used for any service or even a no service as a special keepsake.

Both our service sheets and photo presentations can be shared to family and friends who cannot attend the service. There are 3 options to share these keepsakes:

A link on our website | Via email | On our branded USB - \$15 each or \$10 for 5 or more.

Online Memorial Page

We are offering a more personalised and in-depth online memorial page on our website for family who wish to include photos, stories, poems, as well as link for the service recording, service sheets and photo presentation for family and friends who cannot attend the service. A small fee will apply.
